Distance Healing

Meet Me In The Healing Temple

If you are sick, in the hospital or cannot make it to an appointment, for whatever reason, meet me in the Healing Temple. At the designated time, we will both take a healing journey.

You can stay like this until you feel rested and filled with love and light. Ready to face another day with renewed hope. Come. Meet me in the Healing Temple.

~•~

Way up high, in the heavens, where our Guardian Angels and the Archangels live, you will find the Healing Temple. Take yourself on a visualization there. See yourself going up. See the Golden Triangle of Unconditional Love, Wisdom and Truth, as a doorway. Ask if you can enter.

The Angels welcome you with open arms. They are radiant and full of joy. They guide you to a sacred room. Candles are burning brightly all around and in a circle around a platform in the middle of the room. They invite you to lay down on a blanket of soft lambs' fleece. They all stand or kneel in a circle around you, directing powerful healing, Reiki energy.

I am also here, sitting near your head. You can see me move about, directing healing energy to your head, neck, shoulders, heart or wherever it is needed. You feel the Angels and I working to clear your chakras and to heal you.

You immediately feel your tension and pain lifting. You feel so loved here. You can feel the radiant love and light being directed to you for your well-being, healing every layer. Healing your body, mind, heart and soul. Healing your past, your future and your present. Healing your pain and your suffering. Filling your heart with joy as the pain or sorrow is lifting. Leaving you in a much lighter place.

This is a unique form of distance healing combining a shamanic healing journey with the healing power of Reiki.

We will "meet" three times for a distance healing at the designated time.
